## New Ausblick Format e-Ausblick

Welcome to our new electronic PDF version of Ausblick. We're calling it e-Ausblick, and the idea is to be able to offer this version several times a year to offer some quick club news and event news info. The link to e-Ausblick versions will be sent to valid club members via our email news system. We'll also continue our events news emails with event details, sign up links etc., and of course we'll try to deliver a printed Ausblick via paper and snail mail as well.

Welcome to 2013. April 2013 will mark the completion of 15 years of club life, and you'll notice that many of the annual events in 2013 are noted as 16th Annual as we count from the first event forward and we work on our 16th year.

Our club is all about events that members can participate in, and vary from social to driving to tours and our popular advanced driver training programs.

As we greet 2013, you'll be pleased to know your club has a wide selection of events planned for members and enthusiasts.

In fact, we already have 25 events listed on the calendar in this edition and on our web site.

We'll be adding more details to events as we move forward, and hope to add a few more events as well.

You'll find a variety of events to suite all interests, 3 Fahrt Ins Blaue Day Drive Social events, 4 other drives and tours, including our Annual Harrison Fun Run birthday celebration, our Sea to Sky Day Drive, the Annual Duffey Lake Road Tour, and a Whidbey Island Tour.

Our club will again be lead host for the 12th Annual German Car Festival, and of course our own 16th Annual BMW Concours and Heritage Celebration

In addition to our events, we are pleased to announce in this issue that thanks to our affiliation with BMW Clubs Canada, our members in good standing will be able to partake in a BMW Group Canada BMW Club Member reward program discount. Deails inside on p 3.

Back in Oct 2008 while planning 2009 events we had the idea of the need to host a 'driving' event earlier in the year than what we had been doing. And so the idea of a January Dancing with Cones day was started, and surprise, it became a popular mostly sold out event since our first one in Jan 2009. So, for 2013 we are hosting our 5th January Dancing w Cones, Skills Challenge Day.

a slalom course with Driving Unlimited

basic safety skills and provide feedback  
and coaching.*
