An aerial photograph of a car show at a golf club. In the foreground, approximately 20 cars of various models and colors (including BMWs, a red Audi, a silver Volvo, and a white Mercedes) are parked in a grid. Several people are standing around the cars. In the background, a large white truck with "LOGAN LAKE" written on its side is parked next to a large black excavator. The setting is a paved area with a tennis court and a clubhouse in the distance, surrounded by trees and mountains under a cloudy sky.
